Our Contract with You

This Policy is a contract of insurance between You and Us and contains all the details of the cover that We provide.

The Policy consists of:

- the Certificate of Insurance;
- this PDS;
- any proposal or application completed by You;
- any endorsement or other document We tell You forms part of the Policy which may vary or modify the above documents.

These documents should be read together as they jointly form the contract of insurance between You and Us.

These documents (together with any amendments, updates or endorsements that We give You in writing which may vary it) will also apply for any offer of renewal We make, unless We tell You otherwise or issue You with a new and updated PDS in accordance with the *Insurance Contracts Act 1984* (Cth).

If there is more than one Policyholder, then anything that any of the Policyholder(s) says, does or omits to advise to Us of, applies to and affects the rights to all of the Policyholders.

Your Duty to take Reasonable Care not to make A Misrepresentation

You must take reasonable care not to make a misrepresentation to Us. This responsibility applies until We issue You with a Policy for the first time or agree to renew, extend, vary/change, or reinstate Your Policy.

You must answer Our questions honestly, accurately and to the best of Your knowledge. A misrepresentation includes a statement that is false, partially false, or which does not fairly reflect the truth. It is not misrepresentation if You do not answer a question or if Your answer is obviously incomplete or irrelevant to the question asked.

The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the Policy. If You are answering questions on behalf of anyone, We will treat Your answers or representations as theirs.

Whether or not You have taken reasonable care not to make a misrepresentation is to be determined having regard to all relevant circumstances, including the type of insurance, who it is intended to be sold to, whether You are represented by a broker, Your particular characteristics and circumstances We are aware of.

If You do not meet the above Duty

We may reject or not fully pay Your claim and/or cancel Your Policy. If the misrepresentation was deliberate or reckless, this is an act of fraud, and We may treat Your Policy as if it never existed.

If Our information or questions are unclear, You can contact Us on 07 4800 1334 or visit www.extrasjar.com.

Exclusion Periods

Exclusion Periods apply to Your Policy, as shown on Your Certificate of Insurance. Cover is only available after any applicable Exclusion Period has elapsed.

Any Injury, Illness, Dental Illness, or Specified Condition that occurs during any applicable Exclusion Period will also be deemed to be a Pre-existing Condition (see Pre-existing Conditions & Pre-existing Condition Assessment).

Therefore, no benefits are payable for Vet Costs related to Treatment of an:

1. Injury due to an Accident; suffered; during an Exclusion Period or
2. Illness (including Behavioural Problems & Dental Illness); suffered; during an Exclusion Period.

Different Exclusion Periods may apply to Injury, Illness, Dental Illness or, Behavioural Problems or Specified Conditions.

A new Exclusion Period also applies from the effective date of any agreed increase in Your cover.

For an Exclusion Period that may apply to Specified Conditions, and other conditions (e.g. Dental Illness), You may submit an additional application to request the Exclusion Period to be reduced.

In order for Us to consider whether a reduction of the Exclusion Period can be provided We will require:

1. a completed request form from You, which will require You to have Your Pet examined by a Vet at Your own expense; and
2. Your Pet's medical history. You will be reasonably required to aid in the process of obtaining Your Pet's medical history e.g. by providing details of any Vets Your Pet has seen in the past.

We will provide You with an updated Certificate of Insurance which lists any condition We have agreed to reduce the Exclusion Period for.

Pre-existing Conditions

There is no cover under this Policy for Vet Costs for Treatment of Pre-existing Conditions, unless an exception to this exclusion is approved by Us after a Pre-existing Condition assessment (as set out below).

A Pre-existing Condition is defined as:

An Injury, Illness, Dental Illness, Behavioural Problem or Specified Condition (including Bilateral Conditions, recurrent conditions such as ear infections and diarrhoea, and other conditions that are related to, secondary to, or results of) that:

- a. first occurred or showed symptoms of; or
- b. was identified or investigated by a Vet; or
- c. You were aware of or a reasonable person in the circumstances could be expected to have known about, before Your Pet's First Date of Cover; before a change of coverage became effective, or during any applicable Exclusion Period.

Pre-existing Condition Assessment

When We conduct the assessment of Your first claim under the Policy We will also arrange for a full assessment of Your Pet's available medical history. You will be reasonably required to aid in the process of obtaining Your Pet's medical history e.g. by providing details of any Vets Your Pet has seen in the past. This assessment will establish what Pre-existing Conditions, if any, Your Pet has, and We will share the assessment outcome with You. You may request a Pre-existing Condition assessment before Your first claim (for example during the cooling-off period).

Where Pre-existing Conditions have been identified during an assessment, We will issue You an updated Certificate of Insurance which will list them, including whether they may be reviewed at a future date, the earliest future date a review may be requested by You and any supporting information required at that time. If a Pre-existing Condition is not reviewable, this means it will be excluded for as long as You continue to hold the cover.

The completion of a Pre-existing Condition Assessment does not override the Pre-existing Condition definition or remove General Exclusion relating to Pre-existing Conditions (listed as General Exclusion (1)). This is because Our assessment can only be completed based on what We have been able to obtain and review, and receipt of missing medical history and/or additional information in the future may change the outcome of the assessment.

The Cost Of The Policy And Paying For The Insurance

Premium

All cover is subject to the payment of Premium and the terms, conditions, exclusions and provisions of this Policy.

The Premium payable by You will be shown in the Certificate of Insurance. The Premium is calculated at the time You purchase Your Policy, make a change to Your Policy or renew Your Policy, after taking into consideration several risk factors including: Your Pet's species, gender, breed, location, Our claims experience and events that impact the insurance industry. These risk factors may change over time.

As Your Pet gets older the likelihood of them falling ill increases and the cost of veterinary procedures generally also increases.

This means that the Premium is likely to increase for each Renewal Policy. Therefore, You should consider the cost and Policy terms and conditions that apply for the first Period of Insurance and note that Your Premium may increase over time.

Premiums are subject to Commonwealth and State taxes and/or charges where applicable.

They can include GST, stamp duty, and any other charges.

Other Costs, Fees and Charges

Other costs, fees and charges which may be applicable to the purchase of Your Policy include:

Commission: ExtrasJar or Knose may receive a commission payment from Us when the Policy is issued, varied or renewed. For details of the relevant commission paid, please refer to the Certificate of Insurance, the Financial Services Guide or contact ExtrasJar directly.

Policy fee: A Policy fee of up to \$2.50 (inclusive of GST) per month is charged by Knose for administration and compliance costs associated with Knose's role in the administration of this product. This Policy fee is in addition to the Premium and is noted separately in the tax invoice issued. For details of the Policy fee payable, please refer to the Financial Services Guide or contact ExtrasJar directly.

Goods and Services Tax ('GST')

All monetary limits in Your Policy are inclusive of GST.

In the event of a claim, if You are not registered for GST, We will reimburse You the GST component in addition to the amount We pay You.

If You are registered for GST, We will not pay You the GST component. You must advise Us if You are entitled to claim an input tax credit in relation to the GST payable and the extent of that entitlement. If You do not provide this information to Us, You may be liable to pay an amount of GST on payments You receive.

Cooling-off Period

There is a thirty (30) day cooling-off period. If You wish to cancel Your Policy, You can cancel it by contacting ExtrasJar within thirty (30) days of the Issue Date.

We will refund all the Premium and Policy fee paid less any non-refundable government charges, taxes and levies that We have paid.

You cannot exercise this right if You have made a claim under Your Policy during the cooling-off period.

Even after this cooling-off period ends, You still have cancellation rights. See General Conditions.

Policy Documents, Privacy And Complaints

You may choose to receive Your Policy documents:

- electronically, including but not limited to email; or
- by post.

If You tell ExtrasJar to send Your Policy documents electronically, ExtrasJar will send them to the email address that You have provided. This will continue until You tell ExtrasJar otherwise or until ExtrasJar advises that this method is no longer suitable. Each electronic communication will be deemed to be received by You twenty-four (24) hours after it leaves ExtrasJar's information system. If You do not tell ExtrasJar to send Your Policy documents electronically, the Policy documents will be sent to the mailing address that You have provided.

You are responsible for ensuring that the email and contact details that ExtrasJar has is up to date. Please contact ExtrasJar to change any email or contact details.

Updating this PDS

Where a change is made to the Policy, We will issue You with new Policy documents or other compliant document to update the relevant information except in limited cases.

A paper copy of any updated information is available to You at no cost by contacting ExtrasJar.

Renewal of Your Policy

Before Your Policy expires, We will provide You with a notice to advise whether We intend to offer a Renewal Policy.

As long as You continue to hold the cover, pay Your Premium when it falls due and meet the conditions of cover, We will not refuse to provide You with a Renewal Policy due to the number of claims You may have made or if Your Pet has developed chronic conditions.

A new PDS, Supplementary PDS and/or Policy documents may also be applicable to Your Renewal Policy.

Any changes applicable to Your Renewal Policy will reflect updates associated with insuring pets with similar characteristics to Your Pet, including costs of veterinary procedures.

Your renewal notice will ask You to tell Us whether all of the details are still correct; You must also tell Us if any details You have previously given Us have changed. If We don't hear back from You at renewal, We will take it as though nothing has changed.

If You are happy with the renewal terms, and You don't have to notify Us of any changes You won't need to contact Us. If We don't hear from You by the renewal date, We will automatically renew the Policy and deduct the new Premium instalments from Your nominated credit card or direct debit account where You pay Your Premium by instalments.

If You don't want to take up the renewal, would like to make changes or update information, You will need to contact Us before the renewal date.

The cooling-off period applies to each Renewal Policy.

2. Your Vet will be contacted for a copy of the clinic notes that relate to the invoice. If Your Vet has initiated the claim on Your behalf, You will be contacted to confirm the claim.
3. We will let You know if We need a full Treatment history for Your Pet from the attending Vet and any previous Vets. If so, Your Vet can easily submit these online or by email.

What You must not do

If You are making a claim You must not give Us intentionally false or misleading information. If You or any other person makes a false or fraudulent claim under Your Policy, We may refuse to pay such claim and may also cancel Your Policy or treat the contract as though it never existed.

What We may do

Where reasonably necessary We may contact Your current or previous Vet to:

- discuss any details about Your claim;
- ask for any reasonably necessary information and/or records about Your Pet.

We may decline a claim if You or Your Vet refuse or are unable to give Us any information We need to process Your claim. **What can affect Your claim:**

- You don't give Us all the reasonably necessary information We need to process Your claim.
- You or Your Vet don't cooperate with Us and refuse or are unable to give Us any information We need to process Your claim.
- You don't provide a copy of the original itemised invoices and receipts for the Treatment received by Your Pet.
- You don't comply with any terms, conditions or provisions of Your Policy.

Assessing Your Claim

Most claims are assessed within five (5) business days from receiving all necessary information.

We can ask to review and examine Your past and current Pet's records and any other information from any Vet who has treated Your Pet.

If the Vet Costs You are charged are higher than the fees usually charged by a general or referral practice, We reserve the right to request a second opinion from a Vet that We choose. If the Vet We choose does not agree with the Vet Costs charged We may decide to pay only the Vet Costs usually charged by a general or referral practice in a similar area for the Treatment.

We pay the agreed Benefit Percentage of approved Vet Costs, after the Annual Excess and up to the Annual Limit. The Annual Limit of Your Policy is the maximum We will pay for each Pet in each Period of Insurance.

For example, if, after Your Annual Excess, Your approved Vet Costs come to \$1,000, You can claim eighty percent (80%) on these costs. This equals \$800 and You will still have \$19,200 of Your Annual Limit available for any future claims related to Treatment in the same Period of Insurance.

Settling Your Claim

In most cases We will settle Your claim directly with You. We won't pay the Vet or other service provider unless You instruct Us otherwise and the provider has authorised direct payment or at Our election.

We will send You correspondence which sets out how We settled Your claim. When We settle Your claim, We may deduct any amount You owe Us as previously disclosed by Us.
